Dear parents,

For homework they have to write 9 words. 3 words each with tippi, Bindi and Adhik. You have to say a word and they have to figure out if the word has Tippi, Bindi or Adhik and spell the word. Please check the words they write. If they write the word wrong then they should mark it wrong and write the correct word next to it. It will be nice if parents write down the list of words and send me so I know what you asked your kids to write. This week we had problem figuring out the words for some kids.
