Panjabi Class Homework  
Grade – 1  
Date – 2/6/2016

Dear Parents.

Today in class kids took a test on Lavan and Dulavan vocabulary and they all did well. Thanks to all parents for helping them throughout the week. You can see the difference in your child's performance. Please keep it up. I would like parents to give them dictation everyday from the vowels they have learnt up till now. This would help them build spellings in Punjabi and have better understanding of the letter and vowel sound. We also did Hora and Kanaura in class.

Parents please see that your child comes to class with two sharpened pencils and a good eraser. Every time we have one or two kids who forgot to bring a pencil or don't have an eraser or the lead is broken. They keep asking other kids.
