Panjabi Class Homework

Grade – 1

Date – 3/5/2016

Dear Parents,

We have finished our vowels and now we are going to review everything from very beginning. If you want your child to do well in final exams and go to 2nd grade next year please make sure that your child is not absent in class and does his/ her homework every week. If you plan to go or travel somewhere then please plan ahead to do it last Saturday when we don't have class. Parents please sit with your child 15 to 20 minutes every day and help them in doing their homework and see that they are doing it right.

Today kids took a review test on Mukta and Kanna vocabulary. They all did well in their test. Please keep it up.

One more thing I want to mention that Kids have been getting same homework every week to learn history Questions. I am sorry to say that most of the kids do not know their history questions that they are required to. This week in class kids were told that by next week they all should be able to answer 45 History question and whoever is not ready with 45 history questions will not be going for Pizza snack. They will be sitting in class and learning their history questions. For final exams which are not too far, kids should know 55 history questions. So please divide their homework wisely through 5 days and please spend time helping them.
