Dear Parents.

Evaluation test is over and Congratulations to all kids and their parent who worked hard to pass the test. All kids have cleared the test. Today in class we practiced Mukta words and kids have done excellent job.

Home work for next week.

Write 1 page of Punjabi alphabets each week with their English sounds. Improve your speed and handwriting. (Since we have no class next week you will be writing 2 pages.)

Parents please make them focus on the mistakes they made while writing alphabets in class.

Write Mukta word sheet. (Please see the attachment and print it out.)

Keep practicing five Pauries and also memorize two lines of 6th Pauri. Kids should do their path in slow speed and correct pronunciation.

Learn Punjabi numbers 1 to 25 oral

Kids were asked to go online and learn history questions. Please ignore that because they are updating the history questions and numbering has been changed, instead learn the following colors in Punjabi.

Red, Blue, Green, Yellow, Purple, White, Black, Grey.

See u next week. Bring your notebook and pencils to class.
