Today kids took their test from page 19 in class. Please check their notebook.

They did some reading from a reading sheet. Kids took home a sheet with list of names Animals, fruits and Vegetables

## **Home-Work**

- From the sheet with names of Animals, Fruits and Vegetables learn First 5 words from each column. You will have a test on these words and also word search puzzle to solve.
- Review all 15 pauries. Your teacher can ask you any pauri.
- Review history questions 30 to 52.

Last year parents divided the home work for their kids in 5 days and the kids performed well. This year I see that most of the parents are not doing that. Please try it for once and see the difference in your child performance in class.

All kids use Japji Sahib Recordings on Punjabi class website to learn Japji Sahib.
