Panjabi Class Homework

Grade – 1

Date – 3/2/2019

1st grade homework week of 3/2/2019

WJKK WJKF

Today in class kids took their vocabulary test based on their homework. I was very disappointed with their scores except one kid who got 21/24. When they have no class in the last weekend that means they have more time to study and so I expect them to do well in test. Please take look at your child's test and sign it and send it back. I am repeating the same homework again and please spend some time with them when they do their Punjabi class homework. Take a home test and make them work on their mistakes. Everyone needs to get 100% next week.
