Punjabi Class Homework
Grade – Kindergarten
Date: Sep 15th, 2018

Note to parents: Welcome to Punjabi Kindergarten class year 2018-2019. We have six kids so far this year and I am looking forward to see another group learning and growing throughout the year.

This year's syllabus will include all Punjabi Alphabets ਊ - ਲ਼ with English sounds, Gurmukhi numbers from ੧-੧੫, simple mukta words, Japji Sahib path -first five pauries and history questions. Throughout the year, we will also read some easy to understand Sakhi in the class. I will request you to ask the kids about their weekly homework, make sure they are completing their work during the weekdays and please help them recite Japji Sahib Path as it is assigned to them every week. I thank you all in advance to encourage your child to learn Punjabi & Sikh History and looking forward to another great year ahead.

There will be homework assigned every week. Kids will be graded on weekly homework, class work, quizzes, mid-term and final exams. I request you as a parent to help kids by bringing them to the class on time, asking them about the assigned homework, ensuring that they complete the work, reminding them to recite the path daily.

Homework for this week:

- Write one page of (5 letters in each line) Punjabi alphabet ਊ
- Write one page of Gurmukhi number ੧
- Practice Mool mantar path twice a day.
